

A to Z 2003 Pinot Gris

Tasting Notes

Bright yellow gold with a nose redolent of grapefruit, mango and guava and hints of acacia, lime blossoms, lychee and mineral undertones, the primary aromatics leap from the glass immediately followed by honey, orange and peach nuances. In the mouth, a cascade of juicy, lush fruit is balanced by crisp acidity that leaves the senses begging for another sip. This wine is a classic Oregon Pinot Gris and showcases the ripeness, concentration and richness of the 2003 vintage.
