

A to Z

OREGON PINOT GRIS

Rich and ripe. The color of the 2005 Pinot Gris is yellow gold with beautiful flashes of emerald. Powerful aromatics are redolent of ripe citrus fruits, acacia flowers, tropical fruits (mango, papaya and kiwi), lychee, powdered sugar, honeysuckle, nectarines and pineapple. A concentrated wine with ripe acidity. The finish rolls seamlessly off the mid-palate and lasts forever. The lasting impression is a wine of great ripeness and opulence balanced by wonderful juiciness and succulence. The 2005 Pinot Gris will drink wonderfully for the next 2 years.
