

ONE CUVÉE

The Essence of Oregon

MADE WITH INTENTION

FROM GRAPE TO GLASS

FAMILY OWNED

SINCE 2001

A to Z

Oregon Pinot Noir

Super sexy and spicy on the nose with aromas of apricots, blueberries, Bing cherries, blood oranges, gingerbread, white pepper, sweet Eastern spices, violets, tea and sweet pipe tobacco. In the mouth, the wine has refreshing acidity with silky tannins and rich flavors mirroring the aromatics. The **2009 A to Z Oregon Pinot Noir** restrains power while balancing richness and purity with a clean and refreshing finish. Classically proportioned and built for midterm aging, the wine will continue to build weight and structure with cellaring.

Our viticulturalist works closely with 60 vineyards in every Oregon AVA that grows Pinot Noir. **The 2009 A to Z Oregon Pinot Noir** is blended from wines made from at least thirty of these vineyards. We take great care over many months to craft one cuvée each vintage creating a complex blend that embodies The Essence of Oregon.

“[A TO Z] HAS CONSISTENTLY OVER DELIVERED ON QUALITY AT MODERATE PRICES.”

Wine & Spirits MAGAZINE 20th Annual Restaurant Poll

Vintage Notes:

Spring blossomed in 2009 gloriously warm boosting the vines into early budbreak. Summer stayed warm, punctuated by occasional rains, and set some record highs. We achieved almost record hang time in most vineyards with careful attention and a lot of work with many green thinning passes kept yields in line at an average of 2.5 tons per acre. It was a long harvest and the results can be tasted in the wines which exhibit elegance, beautiful balance and softness.
