

# A to Z OREGON RIESLING 2007

The A to Z Riesling is produced in *small quantities* with fruit from *old vines sites* in the Northern Willamette Valley and younger plantings in Southern Oregon.

Riesling is *one of the great food wines*, very adaptable and accomodating to a wide range of cuisines.

The cool climate in Oregon's Willamette Valley is well suited to growing Riesling.

*Distinctive, Delicious and Versatile!*

"Crisp and lacy, setting up the palate for spicy fare. Flavors emphasize citrus rind and spice, fill in the middle with jicama and spicy pear, then finish with a lick of minerality."
